About IIM Sirmaur

Established in 2015

“To develop and foster professionals with competencies in creating and leading future-oriented solutions for sustainable growth adhering to the highest standards of ethical and human aspects of work in Himachal Pradesh, India, and the world.”

The Indian Institute of Management Sirmaur (IIM Sirmaur) is a premier management institute located in the picturesque town of Paonta Sahib in the state of Himachal Pradesh, India. Established in 2015, IIM Sirmaur is one of the newest additions to the prestigious Indian Institutes of Management (IIMs) network. In addition to its flagship two year MBA programme, IIM Sirmaur also offers a two year MBA in Tourism and Hospitality Management and a cutting edge Fellowship Programme in Management. The institute also offers a wide range of executive education, faculty development, and management development programmes.

IIM Sirmaur is committed to providing its students with world-class management education that is grounded in practicality and relevance. The institute has a strong focus on experiential learning and provides its students with numerous opportunities to apply their knowledge to real-world business challenges through internships, case studies, and live projects. Faculty members at IIM Sirmaur use a fine mix of lectures, case studies, simulations, and projects to bring out the very best in the students. The learning in the campus is ably facilitated by state-of-the-art infrastructure that includes fully air conditioned classrooms, a modern library, access to various scientific and business databases and resources, discussion rooms, a fully equipped gym, and a wide variety of sports facilities among other resources.

The institute strives for the seamless integration of management education with current industry requirements. The students are actively encouraged to participate in various business competitions, seminars, conferences, and colloquia to further their subject knowledge and stay current with the latest trends in management. In addition to providing students with best in class academic inputs, IIM Sirmaur seeks to inculcate a spirit of entrepreneurship and social responsibility. Our students actively participate in liaising with NGOs and organizing street plays and other events to spread social awareness since management education is not just about seeking the most competitive employment opportunities, but also about learning to serve socio-economic concerns through ethical and visionary corporate leadership.

Overall, IIM Sirmaur is a dynamic and forward-thinking institute that is dedicated to producing the next generation of leaders in the field of management and encouraging the adoption of innovative and cutting edge management practices to develop sensitive corporate leaders and entrepreneurs of tomorrow.

Director's Desk

Greetings from IIM Sirmaur!

Welcome to the recruitment process at IIM Sirmaur. I have a great pleasure in offering the seventh batch of MBA Programme and the second batch of MBA (T&HM) Programme to you all. These batches comprise of young, ignited and highly motivated minds with diverse qualifications and experiences ranging from arts to engineering.

The business environment all over the world is going through a turbulent period – competition is intense, product life cycles are shortening, innovations and intellectual property are the buzz words, national boundaries have become meaningless, and the whole world is fast moving towards one single homogeneous market with the traditional forces like culture and nationalism becoming obsolete and meaningless. The rules of the game have changed!

We at IIM Sirmaur acknowledge these changes. Our MBA programmes are designed to convert these bright young participants into well-groomed corporate professionals who will steer organizations through this turbulent and dynamic period. The pedagogy at IIM Sirmaur has a strong focus on building analytical and problem-solving skills and aims at facilitating learning in a cross-cultural environment. We are developing student-exchange programmes with leading B-schools across the world. The exchange programmes shall offer an opportunity for students to study the socio-cultural and commercial diversity in different parts of the world.

The details of each of these ignited minds are given in the subsequent pages. I am sure you will find their credentials amazing and would certainly like to meet them in person. My team at the Placement cell shall soon call on you. I promise to offer the finest recruiting experience to you. If you have any specific requirements that need my intervention, please do write to me at director@iimsirmaur.ac.in. I look forward to personally welcoming you on the campus as our guest!

Happy Recruiting!

Warm Regards,

Dr Prafulla Y Agnihotri

Director and Professor of Marketing Strategy

IIM Sirmaur

Chairperson's Message

Dear Recruiter,

Warm Greetings from IIM Sirmaur!

It gives me great pleasure to introduce the seventh batch of our MBA programme on behalf of the IIM Sirmaur Placement Team. IIM Sirmaur imbues our MBA students with a comprehensive understanding of the corporate world. Aside from learning about management concepts, industry professionals also nurture students and are given a thorough grasp of the businesses by current practitioners. Summer internships in renowned firms and projects completed as part of the two-year curriculum supplement this.

It's overwhelming to see the response the first six batches have received from recruiters in IT Consulting, Sales and Marketing, Operations, etc. This only reinforces the trust reposed by the recruiters in the unique course by IIM Sirmaur. The use of the case study method supported by a team of high-calibre faculty and a tight-knit learning environment with close ties to the industry makes our graduates not just industry-ready but also moulds them to make an impact.

The batch consists of 237 individuals from various backgrounds undertaking intensive academic instruction and additional obligations. Aside from their academic commitments, the students are members of several organizations, committees, and interest groups, and they actively participate in business contests and other corporate engagements with industry luminaries. They are ready to tackle complex organizational and business difficulties through the practical problem-solving pedagogy. I am confident they possess the necessary business acumen and decision-making leadership abilities to contribute value to any firm.

As Placement Chair, it is my privilege to invite you for placements at IIM Sirmaur. We look forward to partnering with you.

Regards

Bhavin Shah

Chairperson

Placement and External Relations, IIM Sirmaur

Programmes

- MBA Programme

1 To develop managers and business leaders to meet the industry talent requirements and lead the future

- MBA (T&HM)

Ranking

The 6th edition of NHRDN-Shine.com Annual Survey of Business School Ranking in India (2018-19) has ranked IIM Sirmour among the 5 Emerging Business Schools of the Country. The survey defines emerging Business Schools as those Business Schools which are yet to complete 5 years since their foundation, performing well and doing good work for their larger audience.

IIM Sirmour holds the distinction of being led by first-ever women Director of an IIM, and has made good progress in developing students holistically, while also striving for increased corporate connectedness.

Infrastructure

IIM Sirmaur offers its students excellent educational and recreational infrastructure. Educational resources such as a state-of-the-art library, online databases, and fully equipped classrooms enable the students to make the most out of the robust teaching approaches adopted by the faculty. During their spare time, students also get access to a variety of recreational facilities that help them sharpen their mind, body, and spirit. We list below a few of the excellent facilities our students have access to.

LIBRARY

The library of an institute is considered to be an essential element for the growth of an institute as it serves as a platform for the students and faculties to constructively participate in the process of knowledge consumption and knowledge creation. IIM Sirmaur in its endeavour to become an elite management institute is focused on developing a state-of-the-art library.

- 24x7 access to the spacious, air conditioned, well-furnished in-house library

- Well-equipped with print and electronic resources to aid academic preparation including e-books, e-journals and full-text online databases etc.
- The infrastructure facilitates group discussions as well as private study
- Availability of research reference tools such as Grammarly, Turnitin, IBM SPSS Statistics, IBM SPSS AMOS, NVivo, JSTOR, Prowess, Scopus, etc to the students.

DATABASES

Our pioneering tech computer lab with the latest software bearing state of the art hardware ensures a seamless learning experience for the students. The institute offers students access to a wide variety of databases and educational resources such as:

- **ABI/INFORMS:** Collection includes thousands of full-text journals, dissertations, working papers, country-and industry-focused reports. Its international coverage gives a holistic view of companies and business trends around the world
- **ACE-KP, ACE-MF, ACE-Equity:** The knowledge portal is an online database that provides data on Indian companies, industries, mutual funds and macroeconomics
- **Ebrary:** It is an online digital library that has more than 1,00,000 scholarly e-books
- **EBSCO host:** An intuitive online research platform with quality databases and search features. It offers high-quality articles licensed from reputable publishers recognized by library professionals
- **Press reader :** A digital newspaper with more than 1,000+ newspapers and magazines from around the globe
- **Access to real-time financial market data** through the Bloomberg terminal to augment courses in various financial markets

All of these services are regularly used by students to enrich their educational inputs and augment their learning while on campus.

AUDITORIUM

To ensure holistic development of the students, we go beyond classroom sessions and conduct guest lectures, conclaves and cultural events. The palatial auditorium at IIM Sirmaur ensures worthwhile experiences for all the stakeholders such as executives, students, faculty and more.

- Premium auditorium acoustics
- Spacious and well-lit
- Enabled with pioneering technical equipment

HOSTELS

The hostels 'Yajur' and 'Atharva' have twin-sharing rooms with all modern amenities required by the students for comfortable study circumstances. Hostels 'Vinayak', 'Karthik', and 'Kailash' are located outside the campus and are accessible by bus shuttle service provided by the institute.

- Well-lit and adequately ventilated rooms with attached washrooms
- Access to high-speed, lag-proof Wi-Fi facility
- Proper maintenance with the dedicated and trained housekeeping staff
- Located on the bank of the river Yamuna, rendering pleasant weather throughout the calendar year
- CCTV surveillance throughout the campus for safety and security

SPORTS

"Health is a state of complete harmony of the body, mind, and spirit." B K S Iyengar.

At IIM Sirmaur, we firmly resonate with the above. We believe in the importance of sports to combat mental fatigue and build discipline, confidence, team spirit, and accountability amongst the students. With this in view, we ensure the institute's availability of top-notch sports facilities.

- Dedicated teams for various sports participate in inter-college competitions and have brought numerous laurels to the institute in the past
- Methodological space allocation and equipment availability allow the students to indulge in varied sports, namely football, cricket, badminton, volleyball, pool, snooker, foosball and table tennis, both at campus premises and hostel accommodation
- High-mast lighting of the field ensures safety of the students even during the night

GYMNASIUM

"Exercise is the key not only to physical health but to peace of mind" Nelson Mandela

At IIM Sirmaur, we firmly believe that students should prioritise physical fitness along with their rigorous academics. To ensure this, we provide fully-functional gyms at all times.

- Availability of modern and essential fitness and training equipment
- 24X7 Gymnasium accessibility to students
- Separate gymnasiums present both on campus and in hostels
- Exclusive time slots for girls

**24 x 7

ABOUT MBA Programme

The Masters in Business Administration (MBA) Programme is a two-year, full-time residential programme. The programme fosters the holistic development of future business leaders by building strong fundamentals followed by focused expertise building. The curriculum is designed to provide the students with a perfect blend of academic skills and insights into the dynamic business environment.

The first-year coursework is spread over three terms comprising core courses explaining the management fundamentals using innovative pedagogy involving case studies, field immersion and interactive classroom sessions. The courses in the first-year curriculum are mandatory for all the students and are followed by a summer internship which is an integral part of the course as it bridges the gap between theoretical knowledge and its practical application. For the purpose of the same, the students are required to work on an industry project with an organisation for a period of eight to ten weeks.

The second-year coursework is spread over the next three terms in which students are offered elective courses across different functional areas such as Marketing, Finance, Operations, Information Technology, Human Resources and General Management. The students can opt for elective courses based on their preferences, provided they fulfil the minimum credit requirements for the programme. The students who successfully fulfil all the requirements of the programme are henceforth awarded the degree of 'Masters in Business Administration'.

MBA First Year Courses (2021-22)

Student Leadership

Student Council

IIM Sirmaur provides students an opportunity to govern themselves through the Student Council. The Student Council of IIM Sirmaur comprises six elected representatives - The President, the Treasurer, The Infrastructure Secretary, The Sports Secretary, The Mess Secretary and the Cultural Secretary. In addition to serving as the students and the administration, the body takes an active role in providing constructive feedback on the various systems and processes at IIM Sirmaur. The council also works on promoting various academic and non academic activities that enriches student life at IIM Sirmaur.

Placement Committee

Career building is an integral part of management education. The Placement Committee of IIM Sirmaur aims at building successful careers through the institute. In order to achieve its mission, the Placement Committee liaises with the industry and provides students with various opportunities to improve their career prospects. These include live projects, summer internships, guest lectures, final placements, industry visits, and panel discussions. Since the committee is completely student run, it offers its members an excellent opportunity to hone both their hard and soft skills.

Throughout the year, the placement committee is engaged in identifying and onboarding organisations with varied talent requirements and assisting organisations at all stages of the recruitment process. Additionally, the committee plays an important role in developing and maintaining a sustainable and long-term relationship with the corporate world through a plethora of engagement initiatives like summits, corporate competitions, and guest lecture series.

Colloquium, one of our prime guest lecture series, hosts distinguished business leaders, policymakers, and eminent entrepreneurs from firms such as Accenture, IBM, Capgemini and others. The event presents the students with a great opportunity to engage with thought leaders and visionaries on a rich vein of subjects; varying from complex leadership and strategic business challenges to the social impact of corporations. This helps to bridge the gap between the classroom learning and the real-world business problems through experts.

Training & Development Team

The Himalayan IIM not only gives students a wide range of career options, but also guarantees total rigour in their professional growth from the very first day of their tenure at the Institute. This is where the training and development cell comes into the picture as the cell ensures smooth transition of the student's college to corporate journey by working with each student to make sure they take advantage of every opportunity available to them.

The cell has committed itself to enhancing the personalities and competencies of the students in preparation for the upcoming career opportunities. Its responsibilities include training the students each year to prepare them for Summer Internships and Final Placements. To accomplish this, the cell conducts various activities like CV vetting, mock interviews, mock group discussions, company-specific sessions, guest lectures, guidance on specific recruitment processes, and many more, which boost the confidence of the students and take their capability up a notch. These sessions are led by certified corporate trainers and industry mentors from renowned firms such as Accenture, DLF, and Ericsson amongst others.

In essence, the Training and Development cell bridges the gap between organisational skills and students' employability, bringing them closer to their dream job.

Student Academic Committee

The Student Academic Committee (SAC) of IIM Sirmaur acts as an aide to the PGP office. The SAC assists in administrative activities by maintaining student attendance records, handling feedback and grievances regarding academics, and processing documents like student ID cards. The SAC also helps in academic activities by reviewing and modifying the course to provide students with industry-relevant coursework and facilitates the smooth conduction of exams. The SAC looks after the timely distribution of course material and constantly collects feedback about the institute's faculty and coursework. The SAC also mentors CRs to ensure maximum class participation and smooth operations of day-to-day class activities. It also keeps a check on students to maintain the utmost professionalism in and out of class.

Infrastructure & IT Committee

The Infrastructure Committee of IIM Sirmaur is primarily responsible for the onboarding, hostel allotment, and resolving the inventory-related issues faced by the students on campus. The committee works with campus clubs and committees, assisting in their efficient operations by providing the necessary infrastructure, allocating designated spaces, and supervising their activity during college events.

Ensuring the maintenance of appropriate behavior on campus in accordance with college rules and regulations is also the responsibility of the Infrastructure and IT Committee. The team is committed to working tirelessly to resolve the daily issues faced by students, such as procurement of inventories, seamless internet connectivity, and maintenance of the hostels and campus. The Infrastructure Committee aims to provide world-class facilities to everyone on the campus by acting as a bridge between the students and the administration.

Sanskriti The Cultural Committee

Intending to enrich the quality of India's distinctive culture and heritage and enlarge social circles, Sanskriti - the Cultural Committee cherishes diversity by celebrating festivals like Eid, Holi, Diwali, Christmas and Onam. It is also responsible for conducting IIM Sirmaur's flagship inter-college Annual Management, Cultural and sports fest, Sierra, where students from more than 450 colleges actively contribute and participate. By creating a homely aura on the campus, Sanskriti constantly works towards uplifting the students' spirits. It provides a platform for students to hold social gatherings and relish with each other in their leisure amidst rigorous academics. 'Festival of mountains' is the general tagline of the fest and this year's theme was 'Colorful Odyssey'. The committee also frequently engages students in activities like open-air jamming and fun games.

In essence, Sanskriti constantly works to increase awareness about different aspects of diversity inclusion and strives hard to inspire young minds to imbibe the values embedded in it irrespective of the students' diverse backgrounds.

Mess Committee

The Mess Committee serves as a link between students and their homes when it comes to food. It always looks forward to providing the students, faculties and staff members with a diverse and devouring food menu that undergoes monthly updates. During the festive season, it ensures that the students feel at home by providing authentic cultural and festive dishes, including food specific to the fasting season. If seen fit, the committee also entertains special requests and cooking assistance from the students and even lets them cook whenever they can contribute. Furthermore, in order to foster the network building and open communication culture, the Mess Committee also regularly organises outdoor Food Nights.

The Mess Committee takes care of each meal's quality, hygiene and nutritional value. Furthermore, with sustainability at its core, it works towards minimizing the wastage of food. The committee also receives feedback regularly from the students about the food and mess so as to update the operations accordingly. Along with the constant support of the administration in procuring all sorts of infrastructural help to serve the students, the mess committee truly works towards keeping IIM Sirmaur nourished.

Industry Relations & Sponsorship Committee

One of the foremost functions of a business school is building relations to propel the organic growth of the Institute by connecting to industries across the country.

The Industrial Relations and Sponsorship Committee (IRS) is committed to establishing and upholding a higher level of relationship standard between IIM Sirmaur and the industries and corporate organisations. The Committee acts as a bridge between the student community and the industries. It brings in live projects from esteemed organisations and subsequently enables the students to put their academic knowledge to the test. It also organises guest lectures and industry visits for the students, allowing them to understand, appreciate and actively pursue industry requirements. Such practices also help industries in leveraging the high-potential student community to address their problems.

The committee works towards building a strong network with the industries to cater to various needs arising in this VUCA world. Further, the committee channelizes its relationship with the industry to offer them a platform for sponsorships and promotions for various events conducted in the Institute around the year.

Sports Committee

One shouldn't let success diminish the desire to be a winner. There's always room for improvement in every sports person. The lessons learned in the field help in developing leaders of tomorrow. The Sports Committee of IIM Sirmaur is devoted to providing top-notch sports facilities to relax after the hectic academic curriculum and help the students remain mentally and physically fit.

The Sports Committee organises various intra and inter-college sports events, from IPL auctions to the annual cricketing extravaganza Sirmaur Premier League, to name a few. The committee recently inaugurated two practice pitches and added them to the already extensive sports Catalogue of a Football Ground, Badminton Court, Volleyball Court, Gym, and other indoor sports facilities such as Table Tennis, Football, Snooker, and Pool Table.

The Sports Committee is dedicated to further building the sports infrastructure at IIM Sirmaur and promoting a healthy competitive sporting spirit among all the students.

Alumni Cell

Alumni are the prized possessions of any institute. The Alumni cell at IIM Sirmaur acts as a liaison between the alumni and the institution. It provides a mentorship platform through its "Reminiscence" series, where the students learn from the alumni via live projects, guest lectures, and Industry visits.

The Alumni cell also maintains the "Alumni Portal" where the alumni can share their knowledge, latest developments and accomplishments. This helps students explore the breadth of opportunities to connect with their fellow alumni and with IIM Sirmaur, gaining several advantages such as social and professional networking, continuing education, and career counselling.

The Alumni Cell is further working towards organizing events that will give the institute more benefits, such as Alumni Chapter Meets, Campus Reunions, Business Conclaves, Engagement Competitions for Alumni, etc. With a vision that aims to coalesce the IIM Sirmaur fraternity, the Alumni cell ensures a symbiotic relationship between the alumni and the Institution.

Entrepreneurship and Incubation Cell

The Entrepreneurship and Incubation Cell of IIM Sirmaur has dedicated itself to fostering an entrepreneurial spirit among the students. It serves as a platform for the students to demonstrate their entrepreneurial skills and convert their ideas into business realities. With an aim to create an ecosystem for the startups ready to be launched by our student community, it facilitates guest lectures, regular workshops, mentoring from industry experts, and networking with venture capitalists to nurture and enrich budding entrepreneurs with all the resources.

The cell sow sustainability seeds at the core of our ecosystem to bring a startup revolution that can bring change in society while reaping the fruits of success along with nation-building.

Since its time of inception, it has become an epicenter of innovating business ideas and converting them into actual working businesses through these guiding steps:

- Ideation phase: Compile and organize the canvas of raw ideas into a goal
- Planning phase: Mentorship from industry experts in a specific domain to define the journey and its milestones
- Validation phase: Guidance and interaction with mentors (CXO's and business coaches) to check engines before the ship leaves the dock
- Launch phase: Legal and documentation assistance along with measuring all the important parameters to launch the startup
- Execution phase: Continuous monitoring and help on different problems and working on the solutions to validate

The cell has so far, successfully onboarded 12 new start-up ideas and is working rigorously to attain the Atal Incubation Centre status. The E&I cell has also started partnering with a law firm for its smooth functioning.

SANKALP The CSR Cell

Sankalp, the CSR Cell of IIM Sirmaur, embodies the Institute's spirit of significantly contributing to society by enabling each member of the student body and the IIM Sirmaur family to become a socially responsible and conscious citizen. Sankalp believes in making a difference in the lives of the underprivileged through donation campaigns and organising various national-level CSR events.

Recently, Sankalp partnered with a local Government body to assist the SHG in developing a Sustainable Model of Waste Management and sprang into action against floods in Bihar and Assam. It was also honoured to host two Padma Shri Awardees, Dr Praksh Baba Amte and Dr Janak Palta, to speak about "Wildlife Protection and Village Development" and "Sustainable development." Aside from these events, the cell also hosted a panel discussion on "Plastic Waste Management," a clothing donation drive for adjacent slums, and a mini-marathon called "UDVEG: Run for Unity" under the auspices of the Ministry of Human Resource Development.

Sankalp aspires to be a force for good in society and a catalyst for change. The community outreach effort aspires to stay true to its slogan, 'Sowing Hope into Lives,' and make IIM Sirmaur an institute that cares, thanks to the dedicated services of IIM Sirmaur students.

Media Cell

The Media Cell at IIM Sirmaur is a student-driven body responsible for creating and nurturing the brand image of the institute amongst external stakeholders. The cell manages the social media presence of the institute on multiple platforms like LinkedIn, Twitter, Instagram, Facebook and YouTube channels; creates strategic campaigns delivered through creative content representing the institute's pedagogy. The Media Cell handles the branding of IIM Sirmaur by offering end-to-end solutions for the institute's official merchandise.

The Media Cell facilitates communication between prospective students and the administration during admission season by forming the admissions committee with volunteers. They also handle the coverage of the various events organised by other student bodies and the administration.

Domain-based Clubs

MARKAIZEN The Marketing Club

Markaizen, the marketing club of IIM Sirmaur is highly creativity and innovation-driven. It aims to ignite a deep interest in the field of marketing amongst enthusiasts. The club organizes a wide range of events such as guest lectures, conclaves, quizzes, simulation games, and online competitions. These events provide students with a platform to put theoretical concepts to the test and get exposed to new ideas and fresh insights in the marketing world.

Through its events spread across the year, Markaizen aims to deliver practical applications of marketing with a fun element attached to them. By fostering creativity and encouraging unclined solutions to marketing concerned bulwarks, Markaizen brings out the original and strategic sides of all student participants. Adding to this, in the spirit of encouraging knowledge building, Markaizen recently started 'Marketing Mandli', an initiative to promote open discussions, on recent marketing trends, amongst the students.

FINSERVE The Finance and Economics Club

FinServe is a club of passionate individuals eager to pursue careers in the domain of Finance. It aims to stay current with financial trends and concentrate on research in topics including but not limited to financial markets, financial instruments, mergers and acquisitions, financial engineering, cryptocurrencies, etc.

The main objective is to bridge the gap between theoretical learning and practical learning. The club also aims to give a platform to the students to bring out their best and improvise upon their concepts with a better practical understanding.

FinServe strives on equipping students with the skills and know-how to advance in the field of Finance and furnishes relevant and in-demand workshops, certification courses and live projects for the students.

The club passionately and enthusiastically plans and conducts various inter-college and intra-college events throughout the year for the students of IIM Sirmaur and beyond. The annual flagship event, Apple-o-nomics, attracts students from top B-Schools across the world.

SCOPE The Operations Club

Scope focuses primarily on equipping the students with the fundamental skills demanded by the manufacturing and the service industry in Operations and Supply Chain Management. The club believes in enhancing knowledge and adding value to classroom learnings through frequent meetups among students to facilitate knowledge sharing and peer learning, guest lectures by prominent industry leaders having years of expertise in the field, and conducting workshops, masterclasses and industrial visits. The club has planned industrial visits to Mankind pharma, Biological E Pharma and Carlsberg India Pvt Ltd to enhance the understanding of manufacturing processes amongst the students and develop an interest towards the field through practical exposure and learning.

The club also conducts various competitions like quizzes, simulations and case studies for students belonging to IIM Sirmaur and other B-Schools across the country to provide students with a platform to gauge and test their knowledge of the domain among the best and brilliant minds of our country. At the same time, it facilitates certifications like Grant Thornton's Six Sigma green belt, KPMG Project Management Training and courses offered by ISCEA to help students, especially those who are inclined towards operations and who wish to develop excellent overall profiles.

HORIZON The HR Club

The HR Club of IIM Sirmaur caters to those having a keen interest in the domain of HR. The club provides budding managers with the learning required to utilise one of the most critical resources of any organisation - Human Resources.

The activities are aimed at bringing IIM Sirmaur to the forefront of Human Resource Management and bridging the gap between corporate and academia. It organises various inter and intra-college events such as innovative case study competitions, quiz competitions, and various simulations, which help the students get involved and gain awareness about the new HR practices being followed in the industry.

DATONICS The Analytics Club

Datonics seeks to promote the students of IIM Sirmaur to better understand the field of IT and Analytics. As data is considered the "oil of the 21st century", the club endeavours to decipher the digital world and get actionable insights to leverage business models utilising that very 'oil of the 21st century.' Throughout the year, it conducts various activities to promote the Domain culture. Datonics is responsible for organising analytics certification programmes such as business analytics and data visualisation that enable students to be industry fit in today's data-driven world. It also conducts workshops, quizzes, and various intra and intercollegiate events to give students a hands-on learning experience.

The club also provides academic support to students by partnering with companies to conduct real-time analytics case competitions and host guest lectures by industry experts.

CONSULERE The Consulting Club

Consulere serves as an umbrella club for various business domains such as marketing, operations, HR, and finance, aims to foster a learning environment for students to deal with strategic and consulting issues and provide them with opportunities to develop impactful contributions to corporate organisations. The club aspires to deliver strategic solutions to clients that align with current industry standards and contemporary educational trends.

Consulere aims to promote student interest in the consulting business and encourage the growth of consulting career options by offering IIM Sirmaur students year-round education, training for summer and final placements, mentorship, and relationship-building activities with classmates, alums, and consulting firms. It also aims to provide the necessary knowledge and boost the required skill sets of students by organizing various events such as workshops, guesstimates, quizzes, national-level case competitions and business conclaves.

SPIN MASTERS The Strategy Club

Spin Masters is a student-driven endeavour that strives to bridge the interlude between the industry and aspiring managers, catering to real-time scenarios. It streamlines the students in accumulating practical knowledge by delivering various live project prospects where they get to learn from industry stalwarts. Spin Masters make efforts to raise strategic insight among the students by conducting multiple inter-college and intra-college workshops like Strategic Sundays, Knowledge sessions, Strategic article writing, quizzes, case study competitions, and events in collaboration with the connoisseurs of the corporate world.

Their vision and mission are to nurture students to inculcate expertise in strategic management, team building, event management, and creativity. Making industrial connections is the chosen path to knowledge and triumph. With this objective, they perform eclectic activities throughout the year to provide the students with a platform to interact with each other, test their analytical thinking skills, and gain a viewpoint on recent strategic developments and enactments by diverse market leaders to remain forth on the race. Spin Masters believes in making strategic management effortless for everyone and not allowing it to be thought of as a niche field.

PRODMAN The Product Management Club

If there exists an exhilarating desire to devise and concoct something for this world and think that some crises and demands occur that can be solved and fulfilled by some outlandish ideas, then welcome to ProdMan, the Product Management Club of IIM Sirmaur. The club would ensure that you harbour the appropriate materials and guidance to begin your expedition in the field of product management. The club aspires to enhance the capabilities of interested students through various competitions, workshops, guest lectures by industrial experts, and a variety of different live projects. The club has the vision of bringing the product aficionados of IIM Sirmaur to the peak of their skillset and seize the ultimate career opportunities in this domain.

ATITHYA The Tourism and Hospitality Club

Athithya focuses on enhancing students' competencies to pursue a career in the tourism and hospitality industry by conducting various inter-college activities, guest lectures, business simulations, quizzes, and debates. At its core, Athitha believes in providing more realistic projects and opportunities to give students essential exposure to advancements and breakthroughs in this field.

The club focuses on advancing tourism and hospitality management studies, fostering social and cultural growth, developing leadership qualities, career mentoring, enhancing soft skills, networking, and professional advancement in this field. The club has brought in numerous live projects from eminent firms such as MakeMyTrip and many more.

Athithya aims to establish solid industrial bases through partnerships with various institutions and organizations (both national and international) operating in the same area.

Interest-based Clubs

CAPITAL 51 The Trading and Investment Club

The stock market plays a pivotal role in the growth of an economy, which is one of the major reasons why it is closely monitored by governments, central banks, companies and even the general public. Capital 51 aims at ensuring that the students understand and ace these complexities posed in the capital market.

The club rolls out informational pieces and discusses various events like stock market trends, sector-wise trends, how different companies are performing on the stock market and techniques and strategies to invest in the market. It also conducts informative sessions, quizzes, expert talks, and virtual trading and portfolio management competitions.

RANGMANCH The Arts Club

RangManch is the arts club of IIM Sirmaur which started with the idea of providing a healthy deviation from the rigorous routine of academics at IIM Sirmaur. The club believes that each of us has a creative side to his/her personality, and all we need is a conduit for our vigorous energies. It encourages students to engage in cultural activities exhibiting their talents.

Apart from delivering exquisite performances throughout the year on various occasions and conducting events that bring out students' creative side, the club also organises events such as Dandiya Night, Bontakshari, etc. The club has a strong YouTube presence with a wide variety of videos; some are already published and some are in the pipeline because "Creativity is not the way we think, it is the way we like to live."

The club also provides a platform for students to exhibit their music and dance skills through CRUX-the official band of IIM Sirmaur and BLAZE-the official dance team of IIM Sirmaur.

VIBGYOR The Photography Club

Vibgyor is a group of like-minded members who love to express their energy and passion through photography. The main aim is to offer a platform on which individuals can promote their work and express themselves to a broader audience and help individuals understand the intricacies of photography without overlooking other management learning aspects. The club aspires to feed an inherent sense of feeling about photography within people and provide them with a perspective to view the life around them. In recent years, the work produced by Vibgyor has attracted a lot of views and buzz in the mainstream, touching upon nuances of daily happenings on a creative front. The club is aspiring to amplify its achievement by maintaining the continuum and keeping its offering and exclusivity open. Overall, creating an ecosystem for the genial individuals to discover, develop and deploy and express their creativity in the genus of photography.

QUIZZAR The Quizzing Club

The aim of a Quizzing Club is to provide students with useful insight into the non-academic aspects of the business so that they can shape their careers in such a way that they are informed about current events around the world. Quizzar organises its flagship event, "The King of Clubs, Cells, and Committees" to promote team building and collectivism around the institute.

Besides this, Quizzar also conducts inter-college events like Controquiz KnAwQs for Brilliant Managerial minds across the nation to test their acumen across various management fields and to evaluate where they stand across their counterparts. Quizzar also takes care of the fun side of things by conducting events such as "The Freshers and the Farewell Quiz" and "Seriesaholic" and many more.

Ek Bharat Shrestha Bharat

Ek Bharat Shrestha Bharat (EBSB) has been one of the major programmes of the Government of India that intends to upgrade cooperation and advance understanding between individuals of various states/UTs through state/UT matching. The states carry out activities to empower an organized cultural connection in language learning, culture, customs and music, the travel industry and cuisines, sports and sharing of best practices, and so on.

The EBSB club of IIM Sirmaur has conducted several cultural activities and events focused on bringing the states of Himachal Pradesh and Kerala closer together to make people aware of the rich heritage and ethos that these two states boast of. Some of the events that the club has conducted so far are, "Mystify", a pan-India quiz, documentaries featuring our cultural heritage, artistic Bharatanatyam performances, the celebration of the festival 'Onam' which witnessed numerous regional games and rituals.

Through its events, the club imbibes knowledge regarding India's rich heritage in an immersive manner.

DARPAN The Literary Club

The word "Darpan" originates from Hindi and translates to "mirror" in English. The literary club of IIM Sirmaur, Darpan, encourages the students to explore their multiple personas in addition to their usual academics, much like mirrors allow you to see your reflection with different personalities.

The club aims to encourage a love of words and creativity among the students along with a sense of literary appreciation for all languages. The club provides a platform to foster literary creativity and give them a platform for self-expression through their social media events. The club's vision is to promote intellectual stimulation and instill a passion for lifelong learning in students. The club hosts regular book meetings, book exchange activities, spoken tales, and poetry recitations. The club also organises various competitions like creative writing, extempore, debates, and quizzes etc.

EVENTS

UDGAM - The Marketing and Operations Conclave

Udgam 3.0 was organized by Markaizen, the Marketing club, and Scope, the Operations club of IIM Sirmaur. The event was held on the 19th and 20th of November in hybrid mode. Twenty-four industry experts from multiple sectors were invited to share their knowledge and insights on the theme "Envisioning the PhyGital Future."

The guest speakers engaged with the students and discussed topics such as "The PhyGital Way to Serve Customers – Leveraging Space, Time & Technology"; "Operating PhyGittally – New, Norm or Necessity?"; "Augmenting PhyGital Visibility – A New Marketing Approach," and "Hubotics in Supply Chain – Co-existence of the Computer and the Brain."

NIRMAAN The Leadership Summit

Nirmaan – Leadership Webinar 4.0 was organized by the Industrial Relations and Sponsorship Committee of IIM Sirmaur. The event was hosted online on the 13th and 14th of November 2021. The webinar comprised eight panels with 42 remarkable industry leaders and field experts as panelists from various sectors.

Students gained valuable insights through the interactive and knowledge-stimulating sessions on multiple leadership topics like "Changing Leader – Changing Organization," "Diversity in Leadership," "Leading Gen-Z," "Becoming Agents of Change," and many more. The students gained varied perspectives on numerous concepts of leadership.

ANKURAN 3.0 The HR conclave

Ankuran 3.0 was organized by Horizon, the HR Club of IIM Sirmaur, with a panel discussion on "Unveiling Talent Management and Transitioning into the future" under the theme "Tenacity." The event was scheduled on September 4, 2021.

Students had the opportunity to interact with remarkable HR professionals like Mr M S Venkatesh, CHRO, DFM Foods Limited, Dr Manavi Pathak, Talent Development, Learning Head, Trent - Tata Retail, Mr Charles Godwin, HR Leader, ZOHO Corporation, Ms Sandhya Gopalakrishnan, Moderator, and Panelist, Associate Director HR (Talent & Transformation Team) Cognizant, Mr Chalapathy Meka Venkata, Sr. Director & Head – Talent Management & Graduate Talent Program, Virtusa Consulting Services.

The sessions were highly beneficial and provided valuable insights to our students.

SIERRA

Every year, the Annual cultural and management fest Sierra is organized by Sanskriti, the Cultural Committee, in collaboration with the Industrial Relations and Sponsorship Committee of IIM Sirmaur. In 2022, Sierra was held with the theme "Colorful Odyssey: our canvas, your colors." Students participated in numerous fascinating activities, including management, sports, and cultural events, with cash rewards of over 11 lakhs.

The limelight of Sierra'22 were the entertainment events organized on the 22nd and 23rd of March in which stand-up comedian Nishant Suri, "Satyug Band," and the music artist of the evening, Gajendra Verma, delighted students with their incredible performances.

TEDx

TEDxIIMSirmaur is one of the most significant events held at IIM Sirmaur annually. The TEDx Club of the institute organizes this event. The fifth edition of TEDxIIMSirmaur, held on 15th March 2022, is centered on "Meraki."

The word Meraki is often used to express the act of leaving a piece of yourself, your spirit, your creativity, and your love in what you do. The event encouraged students to devote all energy and focus on the present and to value the process as much as the outcome.

The students had the opportunity to interact with nine guest speakers from various professions, who shared their experiences and perspectives on working hard and making little sacrifices to achieve greatness.

PARYATAN

Atithya, the Tourism & Hospitality club of IIM Sirmaur, inaugurated its annual conclave, Paryatan on National Tourism Day, January 25, 2022.

The conclave aimed at connecting with industry stalwarts to promote innovation and skill development and inculcate students with pragmatic knowledge to help fit into the workforce of the ever-changing tourism sector.

Paryatan comprised national-level competitions like Startupscape and Tales of Travel, and interactive Panel Discussions with several distinguished industry experts from the travel and tourism sector. The conclave concluded on 5th February 2022.

MDP & Workshops

BIG DATA ANALYTICS FOR EVERYONE

"Big data and the analytics based on it promise to change virtually every industry and business function over the next decade. Learn how to use it to drive success at your company" (Harvard Business Review, September 2020).

Abstract

The recent explosion of social media and the digitization of every aspect of life has resulted in the creation of mountains (big data) of digital data, mostly unstructured, in form of web logs, videos, speech, photographs, e-mails, Tweets, and others. The proposed workshop is aimed to impart practical hands-on skills on such data forms to uncover the hidden treasure on a relevant business and/ or policy issue. The objectives of the workshop are to provide hands-on learning experience on collecting the data, conducting big data analysis, and identification of critical issues from it. The workshop is also envisaged to provide the principle and working knowledge of Python on Jupyter notebook using Anaconda distribution.

Outcome

On the completion of the workshop participants shall be equipped with enough confidence and skill to conduct the independent big data analysis on the topic of their interest, including data collection, data pre-processing and data analysis. Data collected and its analysis is expected to enrich in various ways to the existing ongoing research projects of the participant. All the participants shall be awarded e-certificate.

Course Content

- Introduction to Big Data and Big Data Analytics
- Identification of the sources of big data to extract meaningful conclusions
- Introduction to Natural Language Processing (NLP) and its role in business management
- Software Training for Big Data Analytics (Anaconda, Jupyter Notebook, and Python)
- Individual assignments to the participants on collection and analysis of data

The workshop shall consist of 4 sessions of 90 minutes each. The proposed session plans are as follows

- **Session 1:** Preparation of software support for the workshop, Anaconda installation and basics of Python
- **Session 2:** Basics of Natural Language Processing (NLP) and its role in social media analytics
- **Session 3:** Collection of social media data and its preprocessing for further analysis
- **Session 4:** Critical analysis of the collected data for decision support

Guest Lecture conducted by Placement Committee (MBA) for the year 2021-22

 <https://www.linkedin.com/in/riyas-hassan-rt>

Guide to Final Placements

For The Batch of 2021-23

The organizations can start inviting applications any time after the Pre-Placement Talk (PPT) and/or confirmation of participation in the Final Placement Process. The details of the job offer such as profile, remuneration and location must be provided before applications are invited. Consequently, an invitation letter will be mailed to the organization confirming the date and time at which the Selection Process will take place. The organization is required to communicate the detailed process requirements (number of selection rounds, panels, and process specific requirements) at-least 3 days prior to the placement process.

Pre-Placement Talks

The Pre-Placement Talk (PPT) helps companies and students interact with each other. The representatives of companies share the profile of their company, key aspects of business, work environment and opportunities available to the students. The presentation is followed by a Q&A session, where students interact with company officials to get a better understanding of the company and potential roles. A typical PPT session is scheduled around 90 minutes.

Applications and Shortlists

In response to job descriptions floated by companies, interested students apply through the Placement office. A detailed resume is submitted by the students as part of the application process. On the basis of student applications, companies are required to send shortlists to the Placement office prior to their final placement interviews.

Placement Interviews

The final placement process is expected to be conducted over a period of time from January 2023 to March 2023. Companies can interview the students they have shortlisted, on the date agreed upon by the Placement office and the company. The final placement interview gives the company and the student an opportunity to discuss the role in detail and make the right choice. The companies are allowed to meet students prior to their allotted summer interview date and carry out preliminary assessments.

Offers and Acceptance

The company can make an offer to the student after the final interview. For an offer to be valid, it should include details of role, location, remuneration, and other relevant terms and conditions required by the candidate to make a decision. The offer is communicated by the company to the Placement office, which in turn communicates it to the selected student. The acceptance of an offer is governed by placement rules of the MBA Programme which are framed at the beginning of the academic year.

Industry Testimonials

I thoroughly enjoyed my interactive session with the students of IIM Sirmaur at the Ankuran (HR Conclave). Today India is marching ahead in the global arena. We see Indians occupying apex positions at various large MNC organizations in regular frequencies. Huge number of start-ups with the likes of OYO Rooms, Make My Trip, Zomato, Swiggy are being launched everyday with scalable business models. India have become the hub for quality Human Resources for the entire world. In this context a session dedicated to innovative HR practices made a lot of sense and it was a pleasure listening and interacting with so many bright Senior Industry Leaders, the IIM Sirmaur Director & erudite Professors and sharp young minds of IIM Sirmaur. I wish to take this opportunity to thank the students for a hugely successful event and look forward to many more.

Mr Abhra Rajib Banerjee

Former Vice President and SBU Head
Havells India Ltd.

The new batch from IIM Sirmaur, in this limited period have shown positive and encouraging signs in adapting, adjusting and integrating yet keeping their individual uniqueness intact.

Trust the Institute builds on this further and positions itself as a preferred destination for Corporates to source their future talents

Mr Partha Dasgupta

Former Chief Mentor
Reliance Industries

I loved interacting with the bright students of IIM Sirmaur. I think IIM Sirmaur has a good headway in making a mark among the newer IIMs.

Mr Abhisek Nag

HR Leader
Reliance Industries

The first-hand experience at IIM Sirmaur was indeed very pleasant. The quality of candidates whom we interviewed were good in terms of knowledge and had a wide array of interest and domain know-how. And the best part about students of IIM Sirmaur is their attitude which we found to be excellent and definitely a differentiator. We could clearly see that your institute, being very new, carries all the substance to make it to India's Ivy league in academics.

And we are sure that with the kind of management and structure that you have you will soon achieve bigger milestones.

Mr Surindam Dutta

HR, North & East
Schindler

Travel & Stay
